It's 2018 and Nelson is still wondering whether there's any fucking point in taking anything in the fucking world fucking seriously any more....

Scotland's Award-winning comedian Mark Nelson's sublime stand-up show "Irreverence" sold out its entire run at the 2017 Edinburgh Fringe so we are mooosively excited he is bringing it to the Cowbarn for 3 nights only!

Nelson is the creator of BBC's viral sensation "News at 3" (more than 130,000,000 views!) and is renowned for his brilliantly dark material, appearances on Radio and TV.
