GARETH WAUGH: Just Me...?

Dairy Room, Underbelly Teviot

'Plenty laughs... an early afternoon treat' List

Still just one comedian...

Add one failed rap career...

Plus two totally sold out fringes in 2017 and 2018 and mix boldly with one New York solo debut off-Broadway in 2019...

Gareth is unsure whether he is getting weirder or just more honest with himself as he gets older. After suffering another excruciating, yet hilarious, revelation about his weird little behaviours and ticks, he has decided to come clean and share his innermost embarrassing stories in his brand new show.

"Just Me...?" is a look into the bizarre little things we all do as well as a lot of "Gawd... just me, then" ones as well. You know the ones... those things like pretendy fighting ghosts in the shower or drawing a face on your foot to keep you company when you are out dining alone. Twists that range from the morbid to the downright silly, but lets face it, mostly silly

In 2017, Waugh sold out his entire solo debut at the Fringe, despite being on at 1.30pm in the afternoon (a time when most comedians aren't even up yet during August) and despite the best efforts of his so called comedian friends in keeping him up late partying every night. His brilliant show "Honestly" garnered great reviews and superb word of mouth with extra shows being added in week 3 due to demand. Since then, Gareth has been going from strength to strength as a writer and performer and becoming a regular comper at Scotland's biggest comedy clubs.

Hailed by the BBC as 'one of the fastest rising stars of Scottish comedy' – "Just Me...?"...! is an entertaining hour of standup from one of the country's most exciting and rapidly rising writing and standup talents.

He regularly tours with some of the hottest names in comedy including Katherine Ryan, Jamali Maddix and Daniel Sloss and has sold out solo shows at Sydney's International Comedy Festival. He's also a two-time Scottish Comedian of the Year finalist and winner of Radio Forth's *Big Comedy Audition*. Gareth has appeared on BBC's *Scot Squad* as well as radio shows including Radio 4's *Fred at the Stand*, *Speakeasy*, *John Moloney Show*, *Radio 4 Xtra Stands Up*, BBC Radio Scotland's *Breaking the News*, *The Good, the Bad & the Unexpected* and *Live at the Stand*.

Waugh is smart, witty and good company, with a deceptively polished delivery... Hugely personable...very funny'
