31<sup>st</sup> July– 26<sup>th</sup> August, 9.15pm

**'In years to come, people will be talking about the time they first saw Micky Bartlett... One of the most consistently funny people I've ever worked with' (Adam Hills)**

Beginning 2019 with a solemn vow to grow up... within 4 days Micky gave up. Divulging more hilarious secrets than most folks would tell their priest, in his latest new hour, Micky takes you through the journey of his own head. Strap in folks, you're gonna love it!

In addition to his solo theatre tours, Micky is a regular guest on the 'General Banter' podcast and appears at all of the biggest comedy clubs across the UK and Ireland, He was the long term resident host at Belfast's legendary Empire comedy rooms and also tours with some of the biggest names in live stand-up including **Tommy Tiernan** and **Patrick Kielty**, initially supporting the latter's 2012 "**Home**" tour which included opening to a sell out crowd at Belfast's **Odyssey Arena**. This set went so well it led to him performing as warm up for "**Dave's One Night Stand**", which in turn led to Micky featuring on the broadcast version of the show.

Micky has also starred in a series of clips for BBC online's "Tight Shorts" digital strand, regularly guested on BBC's "**Bad Language**", on both series of **BBC NI Panel show "Monumental"** (alongside Adam Hills, Andrew Maxwell, Jarred Christmas and Jimeoin), BBC Radio 4's "**State of the Nations**", BBC Radio Ulster's "**The Blame Game**" and BBC's "**Sketchy**". Star of the very funny (and viral) Irish Harp Lager ads, Micky also hosted the studio warm-ups for a "**Miranda**" Christmas special and for entire seasons of both "**Top Gear**" and "**TFI Friday**" as well as for **Netflix** game show "**Flinch**". In 2019 he stormed his solo debut **off-Broadway** in **New York**.
