‘Get pumped and get ready to party again - it's great to be back!’ (Craig Hill)

‘Irresistable... a laugh-out-loud performance from beginning to end... an hour with Hill makes for a cracking show... Absolutely hilarious!’ ★★★★★ The List

Scotland’s favourite Kilty Pleasure can't wait to put the wind in your willows...

‘Flat-out hilarious... I’ve not heard a room laugh so long and hard... There isn’t anyone better at working a crowd... the audience was in absolute paroxysms of laughter... Genuinely funny’ ★★★★★ (Mirror)

‘He is that rare thing, a naturally funny comedian’ (Independent)

‘Funny as hell!’ (Scotland on Sunday)

Renowned around the world for his cheeky, irreverent and high-octane performances, Craig is firmly established as a fringe alumni and festival favourite. His razor-sharp improvisation and his unsurpassed audience rapport combine brilliantly for a unique hour of pure, unadulterated and uproarious fun.

‘Class. Risque, rib-tickling and absolutely screaming from the rafters... Hill actually has to wait until the audience stop laughing before he can start again. It’s absolutely hilarious’ (Edinburgh Evening News)

One of Scotland’s best-loved and award-winning comedians, Craig has sold out 21 Edinburgh Fringe seasons, and (pandemic aside) tours extensively. He has performed all over the UK (even London’s Palladium), Europe (he was UK Ambassador at the inaugural *Montreaux International Comedy Festival*), Australia (including Sydney’s Opera House), Montreal’s Just For Laughs Festival (where he hosted 2 all-alumni showcases *The Best Of Just For Laughs* (line-up included Judd Apatow) as well as *Britcom*. He starred in a specially created alternative variety show *Craig Hill’s Forbidden Vaudeville* for Lord Andrew Lloyd Webber and has performed a solo run off-Broadway in New York.

‘Perhaps the funniest show at the Edinburgh Festival Fringe. It’s 60 minutes of adult side-splitting comedy...wickedly subversive as well as risqué and rib-tickling... you will simply love it.’ ★★★★★ (Edinburgh Reporter)
