Kai Humphries: Gallivanting!

“Journey into the mind of once small-town boy, now internationally acclaimed and award-winning comedian, as he galivants around the globe sharing stories, observations and thoughts on the weird and wonderful experiences that have coloured his adventures.”

This is the 10th all-new show from stand-up, podcaster and author, Kai Humphries, who for the past few years has toured live in 55 countries with Daniel Sloss, opening in massive theatres and arenas all over the world. Co-star of the brilliantly funny 'Sloss and Humphries on the Road' podcast as well as a regular guest on the smash-hits 'Have A Word' and 'Hot Water's Green Room', he has also toured solo across Australia and performed a successful run off-Broadway in New York.

'**Gallivanting!**' will tour the UK and throughout Europe in autumn 2024.

Kai's infectious enthusiasm and genuinely hilarious and upbeat material has won him a fan base around the world. **Gallivanting!** is a proper laugh-out-loud hour of no gimmicks stand-up to entertain and leave his audience feeling good.
